## CAUTION..... Could be another scam!

One of our residents is going through some serious times with a local solar energy company. Their sales pitch was all the money they would get back on the income tax (\$1500.00) by converting many of their appliances, replacing windows, etc. and the money they would save through energy savings. The deal was struck on a Thursday and on Monday (3 business days) they asked to cancel the order. Their deposit money has not been returned and they can't seem to get a straight answer from anyone. I will keep you informed of the end result.

*Wishing you a Happy Easter or a Blessed Passover*

## GLEN EAGLE PICTURE BOOK

The last call for pictures to be included in the Glen Eagle Residents Picture Book has come and gone. Sophie Chapman is working hard on this project and her work is appreciated. The Picture Book should be available soon.

## GLEN EAGLE WALL

Many thanks to Paul and Mary Reed Scaffidi for the excellent job on the wall for St Patrick's day. Also thank you to Frank Mucia and his crew for installing the new flag pole. Our wall does look good.
