VIEWPOINT

As I start putting this month's newsletter together, I know I have to ask your opinions on the recent resurfacing of our Glen Eagle Streets. I feel we have received a **very** unacceptable job. I am not sure who is to blame but the blame has to go to someone. Were we uncooperative as residents? Was the resurfacing crew negligent in their job? Did Management here in the Plantation handle this correctly when big heavy trucks were allowed to drive on the fresh surface? Who had the responsibility to control the traffic (Garbage trucks, delivery trucks, service vehicles, etc.)? Who ok'd two runs and a narrow patch down the middle? Who was in charge of notification? Many people were never notified and they started an entire week after they gave a 48 hour notice to *some* residents. Any emails sent back to me at Gleneaglespeaks@aol.com will be compiled and sent to The Plantation HOA. **Fred Meyers**

Glen Eagle Wall

Jayne Prins has agreed to decorate the wall for the Christmas Holidays. Bill Collier and Diane Digristina have agreed to help and they would like some new ideas from the residents for the decorations. Valentines will be handled by Dee and Roger Nolte.

Happy Anniversary to You ...

FLAG BURNING

It is still our intention to hold a flag burning ceremony to burn up our old soiled and worn out American Flags. More news will be forthcoming and anyone willing to be involved in this project is welcome. Contact Fred Meyers.

Last Call For Pictures

The deadline for having pictures in place for publication in the Glen Eagle Resident Picture book will be March 25. Remember, you do not have to be all "gussied up." A snap shot of your head and shoulders is fine. Actually this is the best kind to allow us to fit 12 pictures on a page.

Frank Mucia and Fred Meyers are available to take a snap shot of you at your request. Let's try to get as many resident pictures as possible so all of Sophie Chapman's efforts are not wasted. Her email is sophieriz7@aol.com

A Double Hit

Glen Eagle took a double hit in February when we lost two of our great friends. Duck Drake and Harvey Levy were two of our early Glen Eagle Residents. Duck, well known by the Golfing Community passed after a painful bout with cancer. Duck was a Retired Navy Commander with numerous decorations and awards. Harvey moved back to St. Louis a few years ago. He will be remembered for his smile and sense of humor. Harvey was very active in Glen Eagle as well as Plantation Events. Our condolences to their families

VIAL OF LIFE

Get familiar with the "VIAL OF LIFE" program here in the Plantation. The Vial is a small prescription type bottle that contains vital information regarding health requirements and special treatments, etc. The vial is kept in your refrigerator and a sticker for your door advises emergency crews that you are a participant in the program.

This is a friendly reminder to those of us in the program to update the information for the Vials of Life. Make sure all of your contacts and medical information are up to date.

Also, the bottles were previously donated by Walmart Pharmacy, Cvs, Etc. They no longer donate so if we can save old prescription bottles, it would be very helpful to the cause.

DUES

GECA dues are due for 2010. Checks can be made payable to GECA and given to Barbara Herrick. The \$12.00 check can be mailed or hand delivered to Barbara Herrick at 26021 Oakmount (323 -1532).

GALS LUNCH AND MOVIE GROUP

All Residents are encouraged to join the ladies as they participate in this fun time. A movie and lunch on the second Friday of each month and a chance to socialize with some of your neighbors. Please call Nancy Lovejoy at 360 -1298 or Sigrid Tracy at 323- 1752 for information.

February Glen Eagle Gathering

The Hors d-oeuvre and Finger Food gathering previous to the GECA meeting on February 18 brought out 45 of our Residents who challenged the freshly paved streets, many of them cutting across the golf course to avoid as much of the wet pavement as possible. Look for the GECA Meeting minute further on in this news letter.

Cancer Cures

Early last month I had sent out an email to our residents regarding the project undertaken by Phil and Diane concerning the "BREAST CANCER" fund raiser. They need your support either financially or through your help on the day of the event in April, or both! Please make your tax deductible donation payable to "The American Cancer Society" and send it to:

Phil & Diane Digristina, 4704 River Ridge Dr.
